# Open Payments

Whether or not you are involved in research, physicians that receive transfers of value from a pharmaceutical or medical device company are listed on a publicly accessible website: <https://openpaymentsdata.cms.gov/>

The screenshot shows the homepage of the Open Payments Data website. At the top, the header reads "OpenPaymentsData.CMS.gov" in blue and black text, with "About" and "Sign In" links to the right. Below the header is a large banner image featuring two healthcare professionals. Overlaid on the left side of the banner is the text "Find Your Doctor's Payments" in large white font. Below this text is a search form with two input fields labeled "First Name" and "Last Name", followed by a blue "Search" button. To the right of the search form is a yellow button with a download icon and the text "Explore Open Payments Data". At the bottom of the banner, there is a link that says "Looking for a [teaching hospital](#) or [company making payments](#)?"

# Open Payments

 Allopathic & Osteopathic Physicians | Internal Medicine | Hematology & Oncology

 520 E 70TH ST # STARR-341  
NEW YORK, NY 10021-9800

## NEW YORK-PRESBYTERIAN HOSPITAL

Doctors Taking Any Payments (%)

Doctors Taking \$5,000 or More (%)

# Registration – Review & Dispute

Review and dispute: Began April 1, 2017 and will last until **May 15, 2017**.

Physicians must initiate their disputes during this 45-day review period in order for any disputes to be addressed before **the June 30th publication**.

## ➤ First Time Open Payments Registration:

The following are needed: National Provider Identifier (NPI) number, Drug Enforcement Agency (DEA) number, and State License Number (SLN).

Initial registration is a two-step process and should take approximately 30 minutes:

- Register in the CMS Enterprise Identity Management System (EIDM);
- Register in the Open Payments system

## ➤ For users that registered last year and have used their accounts in the last 60 days:

Physicians who registered last year do not need to reregister in the EIDM or the Open Payments system. If the account has been accessed within the last 60 days, go to the CMS Enterprise Portal, log in using your user ID and password, and navigate to the Open Payments system home page.
