Confirmation of Scientific Merit for Internally Funded Projects

Internally funded projects, not subject to external peer review, must be signed by the Department Chair (WCM) or the Chief Scientific Officer (HSS) as confirmation that the scientific merit of the proposal has been reviewed and is determined to be worthy of conduct. At WCM, when the Chairman is the Principal Investigator, this form must be signed by the Dean.

Please acknowledge, by signing below, that this criterion has been met for the following protocol:

Principal Investigator:

Name: _____

Protocol Number: _____

Protocol Title: _____

_____

_____

Department Chair/Dean:

I confirm that these studies have scientific merit, and the study is determined to be worthy of conduct.

_____
Department Chair/Chief Scientific Officer/Dean
(Print or type name)

_____ _____
Department Chair/ Chief Scientific Officer/Dean Date
(Signature)

Please submit this form bearing the original signature of the Department Chair/Dean.

Please be sure to include the signed formed as an attachment in section GI.10 of your protocol submission in EnCCoMPass; for assistance, please contact the IACUC office.
